AMENDMENT AND RESPONSE

Sir:

In response to the Office Action of February 6, 2003, please enter the following amendments.

IN THE CLAIMS

1. (Currently Amended) A method for converting an input signal to one of a plurality of differing output sample rates, the method comprising:

receiving, at [a first] an input sample rate, a plurality of data points,  
associated with [a first] the input signal;

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage in an envelope addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450
